IdA

IdA provides advice and support to people with disability.

IdA's aims

- Through consultation with relevant stakeholders, to identify issues of interest for people with disability, their family members, carers and guardians
- To champion for positive change on identified issues of interest, which may be specific to an individual, group of people and / or systemic in nature
- To distribute information and promote public awareness of issues that impact people with disability through the development and publishing of resources for members and the broader community
- To ensure that the views and opinions of people with disability, their family members, carers and guardians are represented on government and non-government organisations committees and boards, particularly those where decisions and policy directions are set that impact the lives of people with disability and those of their family members, carers and guardians.
